

# Mission Statement

To promote awareness of Industrial Fire Protection by information sharing, joint problem solving to minimize damage, loss and injury throughout the industry in the Province of Alberta.

## Membership Benefits

- Promoting awareness of industrial fire protection through information sharing and joint problem solving
- AIFPA is endorsed by the Alberta Fire Chiefs Association and the Alberta Fire Commissioners office
- Network with your peers and discuss “Lessons Learned” from incidents in the mining, pulp and paper, petro chemical, fertilizer and oil refining sectors in Western Canada
- Quarterly Membership meetings throughout Alberta
- Guest speakers from industry, government and regulatory agencies inform AIFPA members about ever changing codes, regulatory requirements and how they impact industry
- AIFPA has a voice within two high profile organizations, the Alberta Fire Chiefs Association and Alberta Emergency Management Agency, enabling us to keep up on and have a say on issues which pertain to Emergency Response and Training for Industrial emergency response personnel
- AIFPA members practice the sharing of information from incidents within our organizations. We bring back to our companies “Lessons Learned” making our environment a safer place to work
- Vendor members present industrial members with new fire and safety cutting edge product lines and technology as they come on the market
- Vendors members provide industrial members with the latest equipment / product warnings as well as alerts from various manufacturers
- Proud sponsor of the Canadian Industrial Emergency Conference and Expo
